Verwandelt Ideen in Wow. Freiheit ist etwas Wundervolles, auch beim Gestalten der eigenen vier Wände. Scala gibt Ihnen diese Freiheit: Lowboards in vier Breiten und zahlreichen Ausführungen eröffnen Ihnen beinahe unendliche Kombinationsmöglichkeiten. Perfekt ergänzen lässt sich das Ganze durch Hängeschränke der neuen Spectral Serie Wall. Schön anzuschauen. Leicht anzubauen. Scala.

Furniture with the wow factor. Freedom is a wonderful thing – especially within your own four walls. Which is what Scala gives you: lowboards in four widths, and a huge variety of versions, for almost infinite combinations and configurations. And that's not all. Scala elements can be teamed with units from the new Spectral Wall collection. Scala. Easy to install. Easy on the eye.

Sound satt.

Außen elegant, innen Soundgewitter:
Scala bietet Ihnen vielfältige Optionen,
um Ihre Heimkino- und Musikleidenschaft
auszuleben. Zum Beispiel mit drei
leistungsstarken Spectral Soundsystemen.
Gut versteckt hinter einer stoffbespannten
Klappe liefern sie beeindruckenden
Raumklang. Auch Soundbars anderer
Hersteller finden hier eine Heimat.
Und falls Sie Stauraum satt benötigen:
Mit ohne Soundsystem geht natürlich auch.

Sounds more than just good.

Love music? Love home cinema?
Scala will allow you to indulge both
passions to the full. For example, with
a choice of three powerful Spectral sound
systems. Hidden away behind a fabric-
covered front, they deliver an impressive
audio experience. Or install your own
favourite soundbar. Or, if you prefer more
storage space, don't install one at all.
With Scala, you get to choose.

Beeindruckender Traumklang.

Wussten Sie, dass die Wurzeln von Spectral im Lautsprecherbau liegen? Von den drei für Scala verfügbaren Spectral Soundsystemen dürfen Sie deshalb zu Recht Außergewöhnliches erwarten. Satte Bässe. Kristallklare Höhen. Druckvollen Surround-Sound. Großartige Stereowiedergabe. Für jeden Anspruch ist die passende Lösung dabei – selbstverständlich unsichtbar im Möbel integriert.

Hey, you have to hear this!

Did you know that Spectral's heritage is in speaker technology? So you'd be right to expect something special from the three Spectral sound systems available for Scala. Rich bass, crystal-clear high notes, an all-encompassing surround sound, sumptuous stereo. There is an audio solution for everyone – and whatever your choice, it will be heard but not seen.

scala spectral sound

Volle Breitseite.

3-Wege-Bassreflexsystem mit integriertem Subwoofer. Digitale Mehrkanal-Endstufe mit 300 Watt. 2,50 Meter Breite. Das vollaktive 2.1 Virtual Surround System VRA2 garantiert kompromisslose Leistung in Stereo- und Surround-Sound.

Wide and wonderful.

3-way bass reflex system with integrated subwoofer. Digital multi-channel amplifier with 300 watt output. 2.50 metres in width. The VRA2 is a fully active 2.1 virtual surround system that delivers outstanding stereo and surround sound.

scala sound

Falls Sie Ihr Lieblings-sound-system schon besitzen, können Sie es mit Scala weinternutzen.

You already have a favourite sound system? It and Scala will get along just fine!

→ Alle Optionen finden Sie im Planning Tool

→ All options are given in the planning tool

Bereit für Sonos & Co.

Ein Scala, viele Soundsysteme: Hinter der Stofffront können Sie Soundbars verschiedenster Hersteller unterbringen. Die entsprechenden Universal-Soundbar-Elemente verfügen über ein Universal-Ablageblech für zahlreiche gängige Systeme. Dazu haben Sie zusätzlich Platz für weitere Geräte, die größeren Modelle auch für Subwoofer.

Suitable for Sonos & Co.

You'd prefer a soundbar from your favourite brand? No problem. The universal soundbar adapter features a metal shelf that is ideal for a huge variety of systems. And there is still space behind the fabric front for other pieces of kit. The larger models can also accommodate subwoofers.

scala smart charge

Die kabellose Ladetechnologie Smart Charge nutzt den gängigen Qi-Standard des Wireless Power Consortiums, dem alle großen Mobilgeräte-Hersteller angehören.

The wireless Smart Charge feature uses the popular Qi standard defined by the Wireless Power Consortium – which counts all the leading mobile device brands amongst its members.

Ablegen. Aufladen.

Sie kommen nach Hause. Ihr Akku ist leer. Der Ihres Smartphones auch. Sie legen das Handy auf Ihr Scala. Und sich selbst auf die Couch. Nach einer Stunde sind Sie ausgeruht. Und der Akku Ihres Smartphones ist voll. Zauberei? Nein. Spectral Smart Charge.

Lay it down. Power it up.

You arrive home. It's been a long day. For your smartphone battery, too. So lay it down for a rest on your Scala. And plonk yourself down on the couch. An hour later, you'll feel much refreshed. And your smartphone battery will be re-energised. Magic? Not exactly. It's the Spectral Smart Charge feature.

scala smart light

Smart Light on the
next page

Es werde Licht.

Mit Spectral Smart Light sorgen Sie für eine sanfte, stimmungsvolle Hintergrundbeleuchtung. Unsichtbar verbaute LED-Leisten werfen ein warmes Licht an die Wand und betonen so auch die räumliche Wirkung des Möbels. Besonderer Clou ist die komfortable Touch-Bedienung über die Korpusoberfläche.

An illuminating experience.

Spectral Smart Light technology gives you gentle, atmospheric background lighting. The concealed, dimmable LED strip projects a warm light onto the wall of your room, and emphasises the contours of your lowboard. Just place your hand on the top of the surface to activate.

spectral**scala**
SC2600

Smart Light. Tolle Atmosphäre.

Mit Spectral Smart Light sorgen Sie für eine sanfte, stimmungsvolle Hintergrundbeleuchtung. Unsichtbar verbaute LED-Leisten werfen ein warmes Licht an die Wand und betonen so auch die räumliche Wirkung des Möbels. Besonderer Clou ist die komfortable Touch-Bedienung über die Korpusoberfläche.

Smart Scala: Smart Light.

Spectral Smart Lights create gentle, atmospheric background illumination. The dimmable LED strips are installed out of sight. They project a warm light onto your wall, emphasising the contours of your furniture. Simply place your hand on top of the lowboard to activate.

01

Spectral Soundsysteme SCA3 und BRA2

Das Soundsystem SCA3 liefert voluminösen Stereo-Sound mit tollen Effekten, klar verständlichen Dialogen und fühlbaren Bässen. Die Bluetooth 4.0 Schnittstelle ermöglicht kabelloses Musikstreaming von nahezu jedem Mobilgerät. Leistung: 200 Watt. Das BRA2 ist ein enorm klangstarkes und pegelfestes Surround Soundsystem mit Bluetooth 4.0 Audio Streaming, das sich dank modernstem Signalprozessor auch auf akustisch schwierige Räume einstellen lässt. Leistung: 300 Watt.

Spectral SCA3 and BRA2 sound systems

The SCA3 sound system delivers powerful, perfect stereo with great special effects, easy-to-understand dialogue, and a bass you can feel. The Bluetooth 4.0 interface enables wireless music streaming from just about any mobile device. Output: 200 watts. The BRA2 is a surround system that gives you rich, powerful and consistent sound. Supports Bluetooth 4.0 audio streaming, and includes a state-of-the-art signal processor that can cope with even the most challenging room acoustics. Output: 300 watts.

02

Spectral Soundsystem VRA2

Wahrscheinlich das beste Front-Surround-System, das Sie für Geld kaufen können. Das vollaktive 2.1 Virtual Surround System VRA2 überzeugt im Stereo- wie im Surround-Betrieb mit kompromissloser Leistung und überwältigendem Sound.

Spectral VRA2 sound system

Probably the best front surround sound system money can buy. The VRA2 fully active 2.1 virtual surround system delivers outstanding performance and rich audio in both stereo and surround mode.

03

Spectral Smart Control

DVD-Player, Sat-Receiver, Fernseher, Verstärker, Tuner – wenn Sie perfektes Home Entertainment vom Sofa aus genießen möchten, haben Sie mit den zugehörigen Fernbedienungen alle Hände voll zu tun. Mit Spectral Smart Control ist dieses Chaos endlich vom Tisch. Das aus einer App und einem Bluetooth-IR-Link-System bestehende Set ermöglicht die Steuerung von Audio- und Videogeräten per iPhone, iPod und iPad – und das bei geschlossenen Möbelklappen.

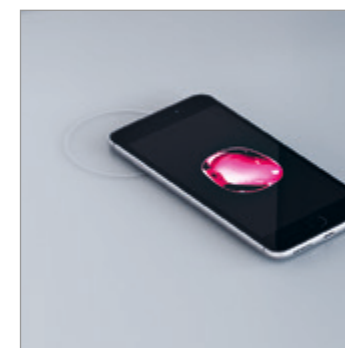

Smart Control

If you own a DVD player, satellite receiver, a TV, an amplifier and a tuner – and want to be entertained from the comfort of your couch – you'll have your hands full. Literally, with half a dozen remote controls. Spectral Smart Control will declutter your life and your living room. It comprises a smartphone app and a Bluetooth/IR link system, allowing you to manage your audio and video equipment with your iPhone, iPod or iPad – without having to open any furniture doors or flaps.

04

Smart Charge

Laden Sie Ihr Smartphone durch bloßes Ablegen auf dem Möbel, mit der innovativen Spectral Smart Charge Technologie: Das Ganze funktioniert per Induktion: Ein Lademodul wird unsichtbar unter der Möbelloberfläche eingelassen. Wird nun ein Smartphone an der entsprechenden Stelle auf dem Möbel abgelegt, lädt es sich automatisch auf. Die Übertragung von Audio- und Videodateien erfolgt per WLAN oder Bluetooth.

Smart Charge

Just place your smartphone on top of the Smart Charge module, and the battery will re-energise all on its own – by induction. The module is installed out of sight beneath the surface of your furniture. Just place your smartphone in the corresponding position and it will charge automatically. Audio and video content can be uploaded via WiFi or Bluetooth.

05

Apple TV

Mit Scala müssen Sie auf Ihre Lieblingsserien nicht verzichten: Perfekte Anschlussmöglichkeiten für Media Player wie Apple TV, Google Chromecast oder Amazon Fire TV sind integriert.

Apple TV

You want to binge-watch your favourite series and shows? Scala will let you. With integrated connectivity for media players such as Apple TV, Google Chromecast and Amazon Fire TV.

scala aufstellarten mounting methods

Alle Scala Lowboards überzeugen durch eine hochwertige mechanische Ausstattung mit Softeinzug.

All Scala lowboards feature high-quality soft-close mechanisms.

→ Alle Maße und Aufstellmöglichkeiten finden Sie im Planning Tool

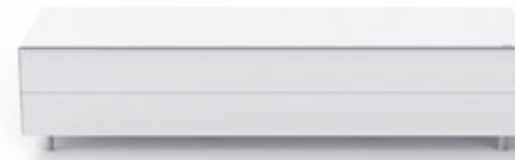

→ All dimensions and mounting methods are given in the planning tool

Steht gut. Hängt gut. Rollt gut.

Ob schwebend an der Wand, ob mit schlanken Aluminiumfüßen oder mit elegantem Fußgestell aus Stahl – Scala eröffnet Ihnen unzählige Möglichkeiten bei der Gestaltung Ihres Wohnzimmers. Sie können die Lowboards als elegante Raumteiler einsetzen und – falls Sie gerne mal umräumen – auch mit praktischen Rollen ordern.

Stand it up. Hang it up. Roll it around.

Scala can be mounted to your wall, placed on slender aluminium feet or on an attractive foot frame in steel. So you have myriad ways of creating a super-stylish living room. You can even use the lowboard as an eye-catching partition. And if you like to move things around, order the castors to go with it.

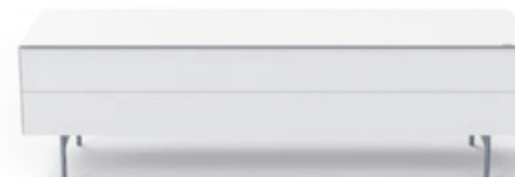

Bodenstehend
mit höhenverstellbaren Füßen aus Aluminium.

Floor-standing
with height-adjustable aluminium feet.

Wandhängend
verleiht Scala Ihrem Wohnzimmer Leichtigkeit.

Wall-mounted
Scala elements take verve into the vertical.

Bodenstehend auf einem Fußgestell
aus pulverbeschichtetem Stahl. Die filigrane Beschaffenheit des Gestells sorgt für eine leichte, schwebende Optik.

Floor-standing on a foot frame
in powder-coated steel. The slender form makes your Scala lowboard appear to float on air.

Rollen und Raumteiler
für bodenstehende Lowboards mit Klappe gibt es eine elegante Raumteiler-Rückwand sowie Rollen. So können Sie es frei im Raum positionieren.

Castors and partitions
an attractive back panel and castors are available for the floor-standing lowboard with flap – transforming it into a partition that can be placed anywhere that suits you.

spectra**scala**
SC2600

06

Griffleiste

Sowohl die Klappen als auch die Schubladen der Scala Elemente verfügen über eine elegante Griffleiste aus eloxiertem Aluminium – so entstehen keine Fingerabdrücke auf den hochglänzenden Glasflächen.

Grip

Scala flaps and drawers feature a refined, grip rail in anodised aluminium – helping to keep the glossy glass surfaces free from finger marks.

07

Glasoberfläche

Auch bei der Farbgestaltung ist maximale Individualität angesagt. Neben den 5 Basis- und 10 Akzent-Farben haben Sie die Auswahl aus über 2.000 NCS Wunschfarben. Neben glänzenden gibt es auch satinierte Glasoberflächen. Die Glasoberflächen sind extrem kratzfest und pflegeleicht.

Glass surface

Colour is a very personal thing. Scala gives you total freedom of choice – with five basic and ten accent colours, plus more than 2,000 NCS shades. With a glossy or matte satin finish. The glass surfaces are extremely scratch-resistant, easy-to-clean and hard-wearing.

08

Raumteiler

Scala gibt es auch mit Rollen und einer eleganten Raumteiler-Rückwand. So können Sie es frei im Raum positionieren.

Partition

Scala is available with castors and an attractive back panel – allowing you to place the element anywhere in your room as a partition.

09

TV-Halterung

An der drehbaren Universal-TV-Halterung können nahezu alle handelsüblichen Fernseher befestigt werden. Die Kabel werden unsichtbar in der Säule geführt. Damit Sie aus jedem Winkel Filme schauen können, ist die Halterung in alle Richtungen drehbar.

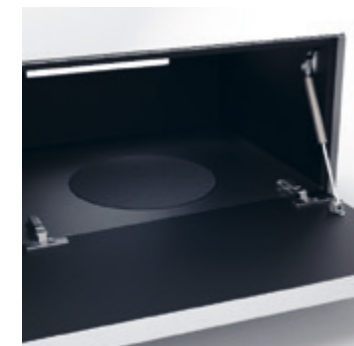

TV mount

The pivoting universal TV mount is suitable for practically all leading TV models. The cables are routed through the column and remain out of sight. The mount can be rotated in any direction, ensuring you can enjoy all the action from any angle.

10

Subwooferöffnung

Und es hat Boom gemacht: Scala Lowboards sind optimal auf die Unterbringung separater Subwoofer vorbereitet. Für die Integration von Downfire-Modelle ist eine Bodenöffnung mit schwarzem Stoffbezug erhältlich.

Subwoofer opening

Boom time: Scala lowboards are ideal for accommodating stand-alone subwoofers. And there is a special opening in the base with a black fabric cover available for downfire models.

Gedämpfte Freude.

Scala verwöhnt Sie. Mit hochwertiger Klappenmechanik für gedämpftes Auf- und Zuklappen. Und mit Schubladen, die sich dank hochwertigem Softeinzug flüsterleise schließen.

Softly, softly.

Scala will be gentle with you. Thanks to high-quality damped opening/closing mechanisms. And drawers with an ultra-quiet soft-close feature.

scala wandlösungen wall solutions

Die Formensprache der Spectral Wall Hängeelemente passt ideal zu Scala. Auch Farben und Materialien sind perfekt aufeinander abgestimmt.

Spectral Wall and Spectral Scala are a match made in heaven. The shapes, the colours, and the materials go just perfectly with each other.

Spectral Wall from
page 210

Wohnwand 4.0.

Die Zeiten, als man mehrere Kubikmeter Eiche um einen Röhrenfernseher verteilte, sind zum Glück vorbei. Heute verschafft man sich Stauraum auf leichte, luftige und smarte Art. Mit frei kombinierbaren Hängeelementen der Spectral Möbelserien Wall und Next. Passt viel rein, sieht gut aus.

Vertical versatility.

Remember the days of wall-to-wall cupboards in ghastly colours plus a bulky tube TV lurking in the middle somewhere? No? Good. Today's wall units are altogether lighter, airier and smarter. Take the freely combinable elements from the Spectral Wall and Next collections, for example. Ample space. Great looks.

Mix and match.

Auch bei Wall haben Sie die Wahl aus über 2.000 Farbtönen. Offene Elemente finden Sie bei Next. Bei der Anordnung sind Ihrer Fantasie keine Grenzen gesetzt.

Mix and match.

Wall units also come in more than 2,000 colours. Open elements are from the Next collection. Mix and match them to your heart's content.

2.8 Smart Light

	Function	RRP (in €/£)
OPTION	Indirect LED lighting along rear edge of furniture. Depending on the model, the position of the LED strips can be individually planned at the top, sides and bottom. Including connection kit LED-AN1 for operation via a concealed touch switch on furniture or LED-AN2 for operation via remote control or smartphone app with dimming function. For LED strips that are 5 m or longer a second connection kit is included.	1,50 / cm

Example pricing: SC1650

The price is based on the furniture dimensions:

Price: 30.4 cm + 165.2 cm + 30.4 cm
= **226.0 cm = RRP (in €/£): 339,00**

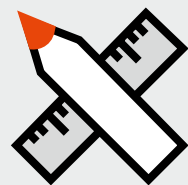

Example pricing: SC1650 + SC560

The price is based on the furniture dimensions:

Price: 30.4 cm + 165.2 cm + 56.8 cm + 30.4 cm
= **282.8 cm = RRP (in €/£): 424,20**

3. Tailor-made options

With Scala you have the opportunity to individualize. Tailored to your requirements, made-to-measure for your home. Popular changes are in the table.

Change	Remarks
Dimension changes (reducing or extending) per dimension	Height up to max. 40 cm (with glass top 40.4 cm) fabric front up to a width of max. 200 cm
Alter position of the TV-mount	If the furniture is wall-hanging the TV-mount cannot be moved to the front
Modifications TV-column (change height, add drill holes etc.)	
Additional charge for full-width top glass	up to max. 280 cm
Special glass construction (e.g. cable outlet at the rear edge)	
Add steel bracing (from 67 cm clear width)	
Modify the arrangement of the interior	
Cable outlet / milled cutout	Cost per milled cutout

Further options and informations can be found on our website at **www.spectral.eu/tailor-made** or send an e-mail to **info@spectral.eu** directly at our customer service.
