

planning tool

spectral — planning tool

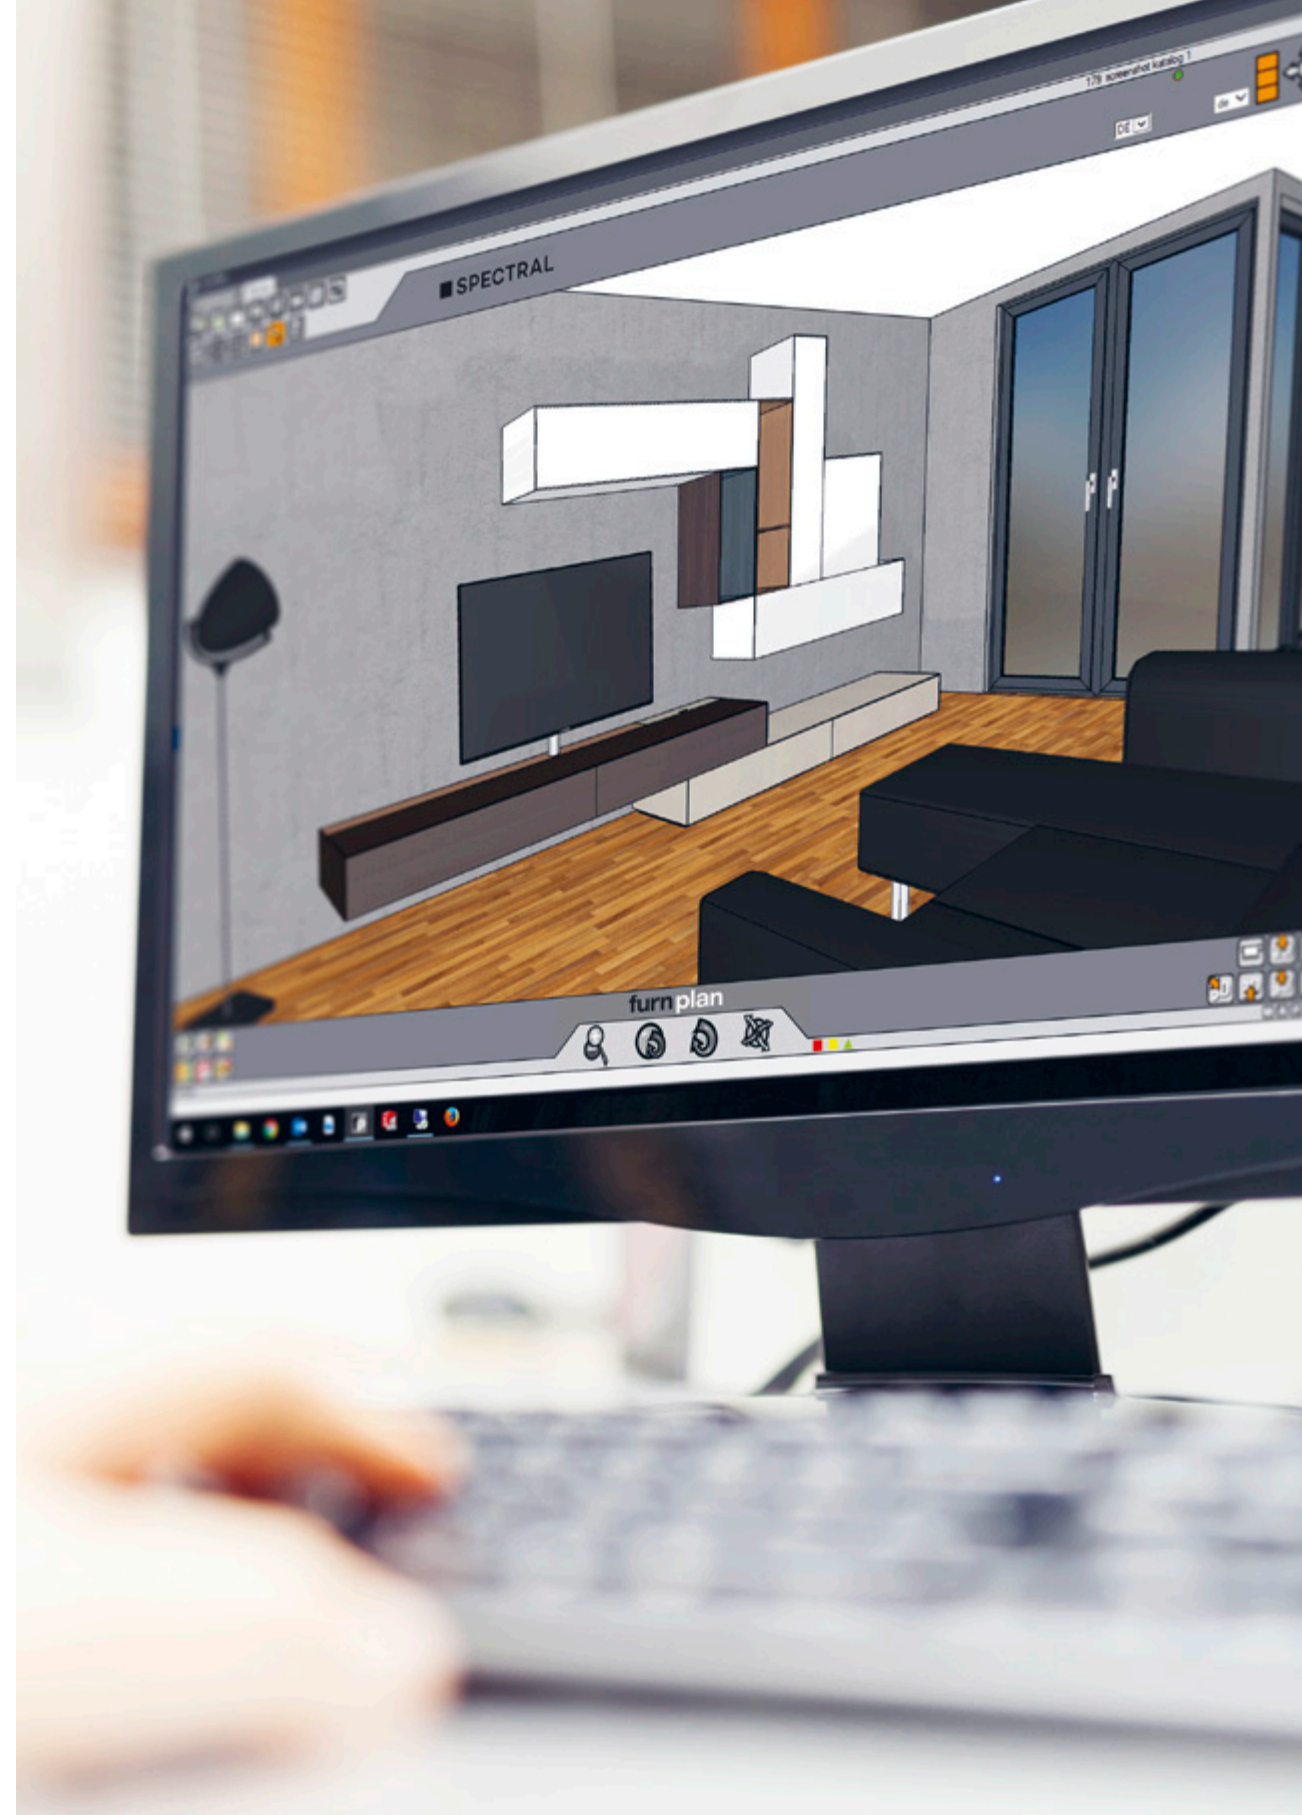

Almost there!

It's always good to plan ahead. And that applies to Spectral furniture, as well. We have given a great deal of thought to the development of this planning tool. We are confident its clear structure and transparent explanations will help you configure Spectral furniture with ease and speed.

Naturally, there are limits to what is possible and practical with a printed guide of this kind, for example if you creating a highly complex combination of furniture items. In these cases, we recommend you switch to 3D planning software. For this reason, we have incorporated our collections into the furnplan software solution.

Most retailers who offer fully configurable Spectral furniture use furnplan. This enables Spectral smart furniture to be modelled in 3D, including pricing.

1. Choose lowboards

All lowboards are supplied with a cable opening in the base and with glass side panels. If multiple elements are to be connected, please specify the position of each glass side panel (L for left, R for right, LR for left and right). Please draw a sketch.

1.1 Choose mounting method

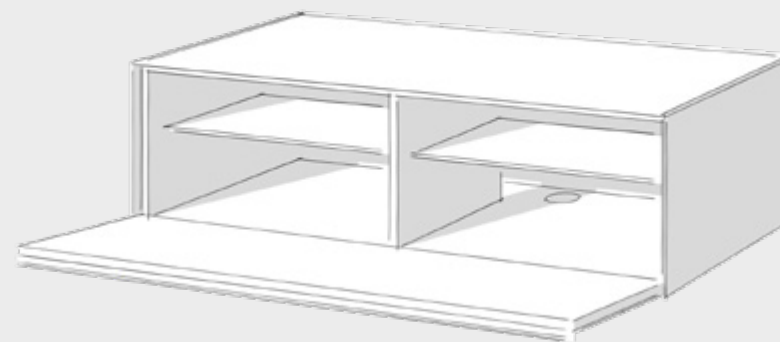

The choice is yours: Scala is available on height-adjustable aluminium feet, robust castors for maximum mobility, or on a foot frame in powder-coated steel. Or wall-mounted at any height.

* Not possible with SC2600, SC2601, SC2602, SC2607 and lowboards with drawer.

1.2 Lowboards with storage

Scala lowboards with flap or drawer, and plenty of storage space. Available in two heights: 30.4 cm and 45.8 cm.

* For floor-standing lowboards with flap. Not possible with elements with drawer or inner drawer.

2.7 Options / accessories

	Function	RRP (in €/£)
OPTION*	Drawer (SL) instead of flap for elements w=56.8 cm	99,00
OPTION*	Drawer (SL) instead of flap for elements w=111.0 and 265.0 cm	199,00
OPTION*	Drawer (SL) instead of flap for elements w=165.2 cm	249,00
SLE01**	Insert for interior arrangement at lowboards with drawer (SL), 1 insert per drawer compartment possible	49,00
SC-SL01*	Inner drawer with mirrored front, suitable for SC560, SC1100, SC1650, SC2602 and lowest compartments of SC567, SC1107, SC1657, SC2601 and SC2607	249,00
ZU1873	Interior lighting, LED light with motion sensor	59,00
ZU1874	USB charger for interior lighting	19,00

* Elements with a drawer or inner drawer must be securely mounted to the wall (mount is supplied).

** available from July 2019, not possible for inner drawer.

2.8 Smart Light

	Function	RRP (in €/£)
OPTION	Indirect LED lighting along rear edge of furniture. Depending on the model, the position of the LED strips can be individually planned at the top, sides and bottom. Including connection kit LED-AN1 for operation via a concealed touch switch on furniture or LED-AN2 for operation via remote control or smartphone app with dimming function. For LED strips that are 5 m or longer a second connection kit is included.	1,50 / cm

Example pricing: SC1650

The price is based on the furniture dimensions:

Price: 30.4 cm + 165.2 cm + 30.4 cm
= **226.0 cm = RRP (in €/£): 339,00**

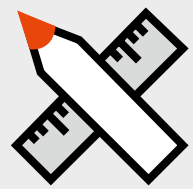

Example pricing: SC1650 + SC560

The price is based on the furniture dimensions:

Price: 30.4 cm + 165.2 cm + 56.8 cm + 30.4 cm
= **282.8 cm = RRP (in €/£): 424,20**

3. Tailor-made options

With Scala you have the opportunity to individualize. Tailored to your requirements, made-to-measure for your home. Popular changes are in the table.

Change	Remarks
Dimension changes (reducing or extending) per dimension	Height up to max. 40 cm (with glass top 40.4 cm) fabric front up to a width of max. 200 cm
Alter position of the TV-mount	If the furniture is wall-hanging the TV-mount cannot be moved to the front
Modifications TV-column (change height, add drill holes etc.)	
Additional charge for full-width top glass	up to max. 280 cm
Special glass construction (e.g. cable outlet at the rear edge)	
Add steel bracing (from 67 cm clear width)	
Modify the arrangement of the interior	
Cable outlet / milled cutout	Cost per milled cutout

Further options and informations can be found on our website at **www.spectral.eu/tailor-made** or send an e-mail to **info@spectral.eu** directly at our customer service.

2. Choose plinth

With Brick you have a choice between a standard plinth without sound system integration, a universal plinth for soundbar systems from diverse manufacturers, and plinth for Spectral SCA and BRA sound systems.

2.1 Standard plinth

Brick is available with a standard 12 cm high plinth without sound system integration.

	Description	Width	Height	Depth
BRS120	Plinth for models w = 120 cm	80.0	12.0	40.5
BRS150	Plinth for models w = 150 cm	110.0	12.0	40.5
BRS200	Plinth for models w = 200 cm	160.0	12.0	40.5

2.2 Universal plinth

The 20.3 cm high universal plinth has a black fabric cover and a height-adjustable universal shelf for soundbars from diverse manufacturers.

	Description	Width	Height	Depth	RRP (in €/£)
BRS8	Plinth for models w = 120 cm and 150 cm	109.9	20.3	41.8	299,00
	max. soundbar	104.7	15.0	12.0	
BRS9	Plinth for models w = 200 cm	159.9	20.3	41.8	299,00
	max. soundbar	154.7	15.0	12.0	

Recommended retail price including VAT | excluding shipment or assembly

2.3 Plinth for sound system

The 17.3 cm high plinth for a Spectral SCA or BRA sound system always comes with a black fabric cover. The plinth is only available with a Spectral sound system.

SCA3 Spectral sound system
RRP (in €/£): 749,00

BRA2/BRA3* Spectral sound system
RRP (in €/£): 1.399,00 / 1.699,00

* BRA3 available from July 2019

For SCA	Description	Dimensions plinth (in cm)			RRP (in €/£)
		Width	Height	Depth	
BRS1-SCA	Plinth for models w = 120 cm	94.1	17.3	41.8	249,00
BRS2-SCA	Plinth for models w = 150 cm	109.9	17.3	41.8	249,00
BRS3-SCA	Plinth for models w = 200 cm	159.9	17.3	41.8	249,00

For BRA	Description	Dimensions plinth (in cm)			RRP (in €/£)
		Width	Height	Depth	
BRS1-BRA	Plinth for models w = 120 cm	94.1	17.3	41.8	249,00
BRS2-BRA	Plinth for models w = 150 cm	109.9	17.3	41.8	249,00
BRS3-BRA	Plinth for models w = 200 cm	159.9	17.3	41.8	249,00

Recommended retail price including VAT | excluding shipment or assembly

3. Options and accessories

3.1 Smart Charge / Smart Control

	Function	RRP (in €/£)
ZU1933	Smart Charge Kit	249,00
ZU1947	Spectral Smart Control Bluetooth/IR link system for control of audio and video equipment when furniture flap is closed via Spectral Smart Control app (iOS, Android)	199,00
ZU1864	IR link system for control of audio and video equipment when furniture flap is closed	159,00

3.2 Cable management / mount

	Function	RRP (in €/£)
OPTION	TX TV mount, optionally with adapter for VESA 200x200 to 400x400 or universal adapter for VESA 100x100 to 600x400	399,00
SPMEX1	Extension kit VESA 600x600 for universal adapter	25,00
ADLB7	Adapter for TX TV mount for LOEWE bild 7.55, 7.65 and 7.77	69,00
ZU2093	Universal media mount for any media components, mounting on the back side of the TV mount	39,00
OPTION*	Cable opening in the top panel (CA)	–
ZU2139	Cover for cable opening in color white, cable entry possible	9,90
ZU2140	Cover for cable opening in color black, cable entry possible	9,90

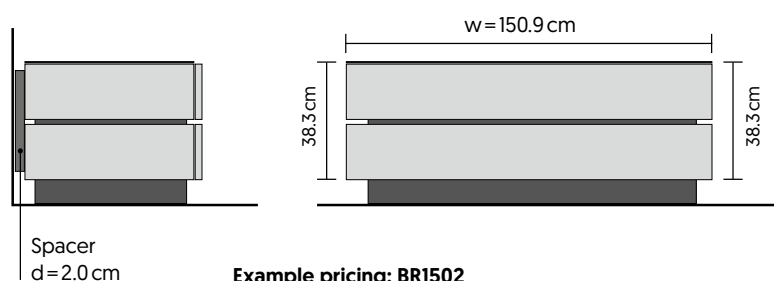

* Only possible without TV mount.

Recommended retail price including VAT | excluding shipment or assembly

3. Options and accessories

3.3 Smart Light

OPTION	Function	RRP (in €/£)
	Indirect LED lighting along rear edge of furniture. Depending on the model, the position of the LED strips can be individually planned at the top and sides.	1,50 / cm
	Including connection kit LED-AN1 for operation via a concealed touch switch on furniture or LED-AN2 for operation via remote control or smartphone app with dimming function. For LED strips that are 5 m or longer a second connection kit is included.	

Example pricing: BR1502

The price is based on the furniture dimensions:

Price: 38.3 cm + 150.9 cm + 38.3 cm
= 227.5 cm = **RRP (in €/£): 341,25**

3.4 Options / accessories

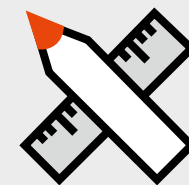

OPTION*	Function	RRP (in €/£)
OPTION*	Drawer instead of flap (SL) for models w = 120 cm and 200 cm [2 compartments]	199,00
OPTION*	Drawer instead of flap (SL) for models w = 150 cm [3 compartments]	249,00
SLE01**	Insert for interior arrangement at drawer from an element height of 23 cm, 1 insert possible per drawer compartment, (does not fit into middle drawers of BR2000)	49,00
ZU1873	Interior lighting, LED light with motion sensor	59,00
ZU1874	USB charger for interior lighting	19,00

* Units with drawer must be mounted to rear wall (mounting materials are supplied).

** available from July 2019

Recommended retail price including VAT | excluding shipment or assembly

4. Tailor-made options

With Brick you have the opportunity to individualize. Tailored to your requirements, made-to-measure for your home. Popular changes are in the table.

Change	Remarks
Exchange the available element heights	
Dimension change sound plinth	
Room divider rear panels are not available	
Dimension modifications are not possible	

Further options and informations can be found on our website at **www.spectral.eu/tailor-made** or send an e-mail to **info@spectral.eu** directly at our customer service.

1. Choose wall-mounted units

Wall is the perfect addition to furniture from the Cocoon, Scala and Brick collections. Wall is available with glass surfaces in more than 2.000 attractive colours and in many different versions. All wall-mounted units are supplied with glass side panels. If multiple elements are to be connected, please specify the position of each glass side panel (L for left, R for right, LR for left and right). Please draw a sketch. Open wall-mounted units from the Next collection can be freely combined with Wall units.

Options and accessories at a glance

Additional glass shelves	•
Interior mirror for rear	•

1.1 Wall-mounted units with door

The door can be hinged on the left or the right. The door has a push-to-open mechanism. Always with glass side panels for left and right (LR).

1. Choose lowboards / musicboards

Elements with a height of 10.6 cm are known as musicboards. All lowboards and musicboards require a top panel or top element.

1.1 Choose mounting method

Next is available with height-adjustable glides. Optionally also available with elegant aluminium feet, on sturdy castors for maximum mobility, or on a foot frame in powder-coated steel. Can also be wall-mounted at any height.

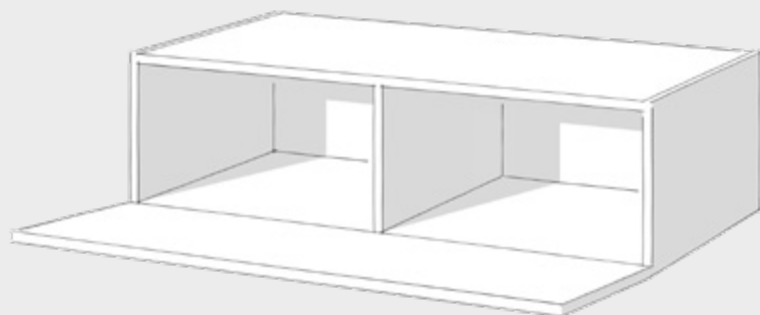

Warning: floor-standing elements must not be positioned freely in the room. Otherwise, there is a danger of the element falling over.
When mounted on castors, the maximum height of stacked lowboards is 64 cm.
Castors are not possible with lowboards with a drawer, or with lowboards with a depth of 38 cm.

1.2 Lowboards with storage

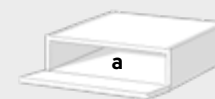

1.2.1 Lowboards with flap

Next lowboards with flap provide storage space, and are suitable for audio/visual equipment. Openings in the back ensure easy cable connections. Available in two depths: 38 cm and 48 cm.

Top panel or top element required, see page 138

NX9004*	Cable duct for lowboards w= 180 cm (for 1 compartment)	59,00
NX9005	Cable openings (set with two rings for connection between two elements). Diameter of opening 6 cm. Opening is made in the most suitable position upon furniture assembly.	19,00
ZU1871	Flat Europlug 1.5 m cable, CEE 7/3 (Schuko) connections	59,00

* Cable duct is not possible for lowboards with custom-shortened width.
With 160 cm wide lowboards, a cable duct is not possible in the middle compartment in conjunction with a TV mount.

Recommended retail price including VAT | excluding shipment or assembly

4.5 Smart Connectivity

	Function	RRP (in €/£)
ZU1876	Docking Kit 26, Apple, iPhone/iPad, HDMI (for all Apple devices with Lightning, except iPad4)	249,00
ZU1974	Smart Charge Kit	99,00
ZU1999	Next module 1 [1 x USB, 1 x HDMI, including USB cable]	69,00
ZU2000	Next module 2 [1 x USB, 1 x Audio 3.5 mm, including USB cable]	69,00
ZU2001	Next module 3 [2 x USB, including USB cable]	69,00
ZU2002	Next module 4 [1 x HDMI, 1 x Audio 3.5 mm]	69,00
ZU2003	Next module 5 [2 x HDMI]	69,00
ZU2004	Next module 6 [Schuko socket]	69,00

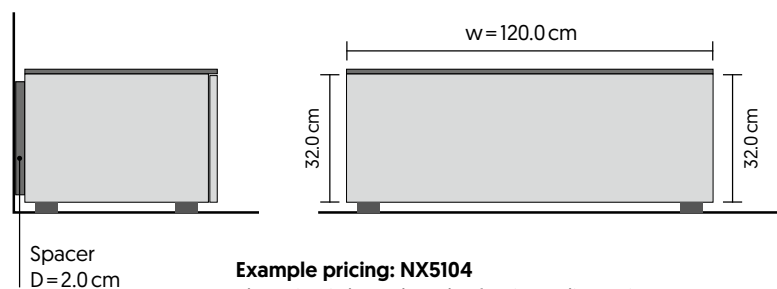

Recommended retail price including VAT | excluding shipment or assembly

4. Options and accessories

4.6 Smart Light

	Function	RRP (in €/£)
OPTION	Indirect LED lighting along rear edge of furniture. Depending on the model, the position of the LED strips can be individually planned at the top, sides and bottom. Including connection kit LED-AN1 for operation via a concealed touch switch on furniture or LED-AN2 for operation via remote control or smartphone app with dimming function. For LED strips that are 5 m or longer a second connection kit is included.	1,50 / cm

Example pricing: NX5104

The price is based on the furniture dimensions:

Price: 32.0 cm + 120.0 cm + 32.0 cm
= 184.0 cm = **RRP (in €/£): 276,00**

Example pricing: NX5104 + NX5301

The price is based on the furniture dimensions:

Price: 32.0 cm + 120.0 cm + 60 cm + 32.0 cm
= 244.0 cm = **RRP (in €/£): 366,00**

4.7 Sound integration

	Function	RRP (in €/£)
OPTION*	Subwoofer opening (dimension 18 x 25 cm)	59,00
OPTION	Fabric front for 48 cm high doors for large subwoofers (price per front)	129,00
OPTION**	Fabric front for lowboards with h=10.6 cm and h=32 cm / w=60–160 cm and w=180–200 cm (position: right, left and center possible, price per front)	129,00

* Subwoofer opening for sound system models only possible where width is at least 160 cm.

A subwoofer opening in the middle compartment in conjunction with a TV mount is not possible with storage models and soundbar models w=160 cm and d=38 cm.

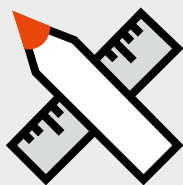

** The fabric flap for lowboards h=10.6 cm and w=60 cm is a single, seamless fabric-covered flap with no acoustic function.

4.8 Accessories

	Function	RRP (in €/£)
NXFBXXXX	Additional shelf (please give item number)	39,00
ZU1873	Interior lighting, LED light with motion sensor	59,00
ZU1874	USB charger for interior lighting	19,00
SLE01*	Insert for interior arrangement at drawer from an element height of 32 cm, 1 insert possible per drawer compartment	49,00

* available from July 2019

5. Tailor-made options

With Next you have the opportunity to individualize. Tailored to your requirements, made-to-measure for your home. Popular changes are in the table.

Change	Remarks
Width reduction up to max. 20 cm	
All other dimension changes (per dimension)	Height up to max. 42 cm, full-width fabric front up to 160 cm max.
Add steel bracing (from 67cm clear width)	
Alter position of the TV-mount	If the furniture is wall-hanging the TV-mount cannot be moved to the front
Modifications TV-column (change height, add drill holes etc.)	
Modify the design arrangement of the interior Small (for example narrowing the central partition)	
Modify the design arrangement of the interior Large (individual modification / arrangement)	
Cable outlet / milled cutout	Cost per milled cutout
Glass top panel 120 cm	
Glass top panel 140 cm	
Glass top panel 160 cm	
Glass top panel 180 cm	
Glass top panel 200 cm	
Glass top panel 220 cm	
Glass top panel 240 cm	
Glass top panel 260 cm	
Glass top panel 280 cm

1. Spectral sound systems

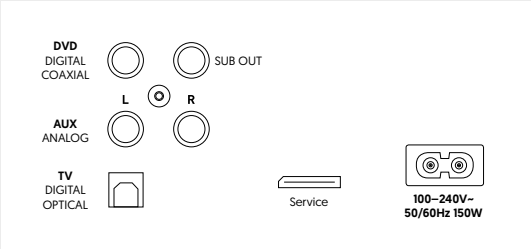

1.1 XTA1 – Slim. Sleek. Powerful.

Dimensions (w × h × d)
89 × 6 × 32 cm

The XTA1 2.1 virtual surround system is available exclusively with the Next music board. It's a mere 6 cm in stature, but generates an unbelievably sonorous bass. It is great for surround sound as well as stereo, and supports wireless music streaming via a Bluetooth 4.0 interface.

RRP (in € / £): 749,00

Recommended retail price including VAT | excluding shipment or assembly

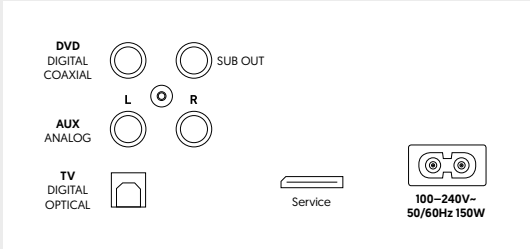

1.2 SCA3 – Small system. Big sound.

Dimensions (w × h × d)
85 × 12.8 × 30 cm

The SCA3 is a compact yet powerful sound system. It delivers sublime stereo with great special effects, easy-to-understand dialogue, and a bass you can feel. The Bluetooth 4.0 interface enables wireless music streaming from just about any mobile device.

RRP (in € / £): 749,00

Recommended retail price including VAT | excluding shipment or assembly

1. Spectral sound systems

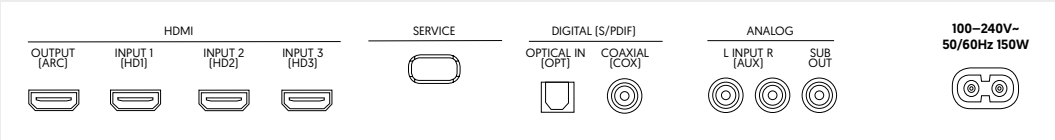

1.3 BRA2 – Perennially popular.

Dimensions (w × h × d)
90 × 13.6 × 31 cm

The BRA2 is Spectral’s bestseller. It gives you rich, full and consistent sound, and includes a state-of-the-art signal processor that can cope with even the most challenging room acoustics. For people who want their very own personal home cinema, BRA2 is the optimum option.

RRP (in € / £): 1.399,00

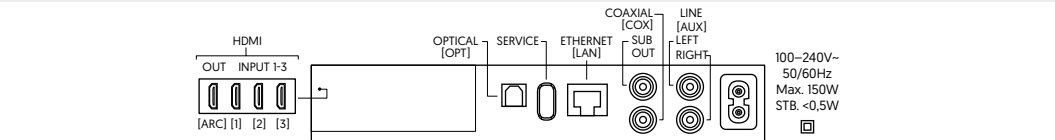

Recommended retail price including VAT | excluding shipment or assembly

1.4 BRA3 – Technological marvel.

Dimensions (w × h × d)
90 × 13.6 × 31 cm

Additionally the BRA3 has the most advanced technology inside. Dolby Atmos® Surround Sound for 3D sound from all directions – like in real life. Connect the sound system to your home network as a multiroom speaker. Stream your favorite music through Chromecast built-in technology.

RRP (in € / £): 1.699,00

Recommended retail price including VAT | excluding shipment or assembly

1. Spectral sound systems

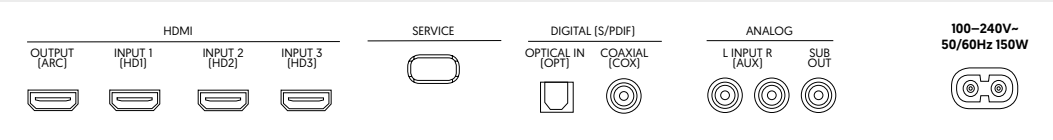

1.5 VRA2 – Outstanding audio.

Dimensions (w × h × d)
243 × 16.6 × 36 cm

Two and a half metres of pure stereo and surround sound bliss. For truly compelling and harmonious audio. The bass, mid-range and treble tones combine to create a first-class listening experience. Stream your favorite music with Bluetooth and easy pairing function or transform your living room into a movie theater.

RRP (in € / £): 2.399,00

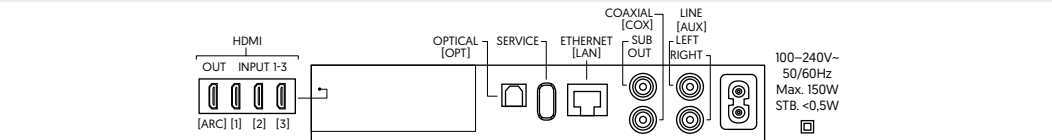

Recommended retail price including VAT | excluding shipment or assembly

1.6 VRA3 – State of the art.

Dimensions (w × h × d)
243 × 16.6 × 36 cm

Ceramic chassis for maximum brilliance. Multiroom with integrated Chromecast technology. Dolby Atmos® Surround Sound for breathtaking realism in three-dimensional space. As all-in-one solution or wirelessly expandable with additional subwoofers and smart speakers. In all, it's the best front surround system that money can buy.

RRP (in € / £): 2.999,00

Recommended retail price including VAT | excluding shipment or assembly

1. Choose element

Ameno is a future-proof collection of furniture with a focus on consumer electronics and with multiple functions. To configure your perfect item of furniture, perform the following steps:

01

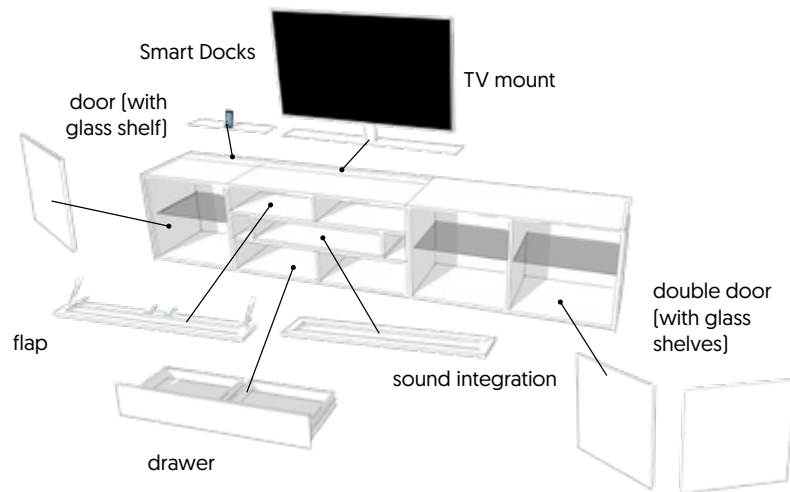

Choose the empty cabinet elements and the corresponding side panels and top panels.

02

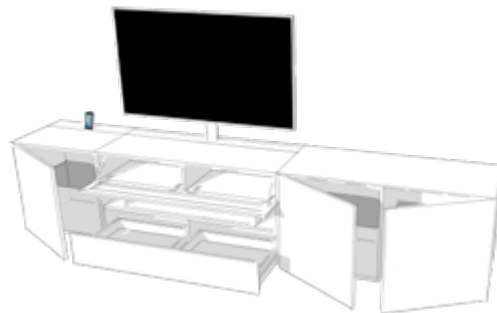

Then define the functional zones that will then be the basis for the configuration of the interior.

Media functions and storage functions are kept separate.

03

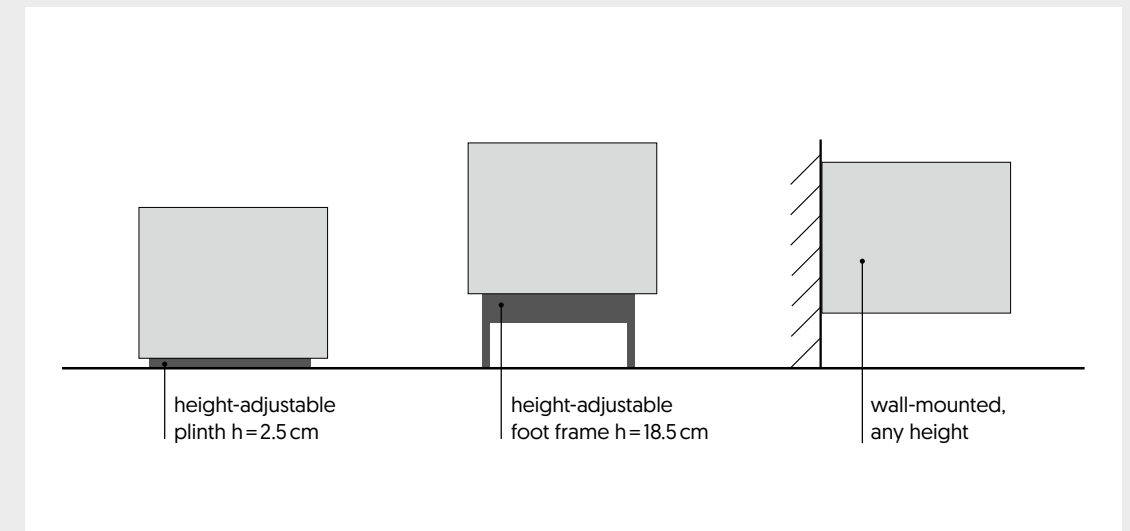

The end result is an item of furniture comprising multiple elements with diverse functions.

Ameno is only available from selected retailers. A 3D planning and a price quote is created by your dealer.

1.1 Choose mounting method

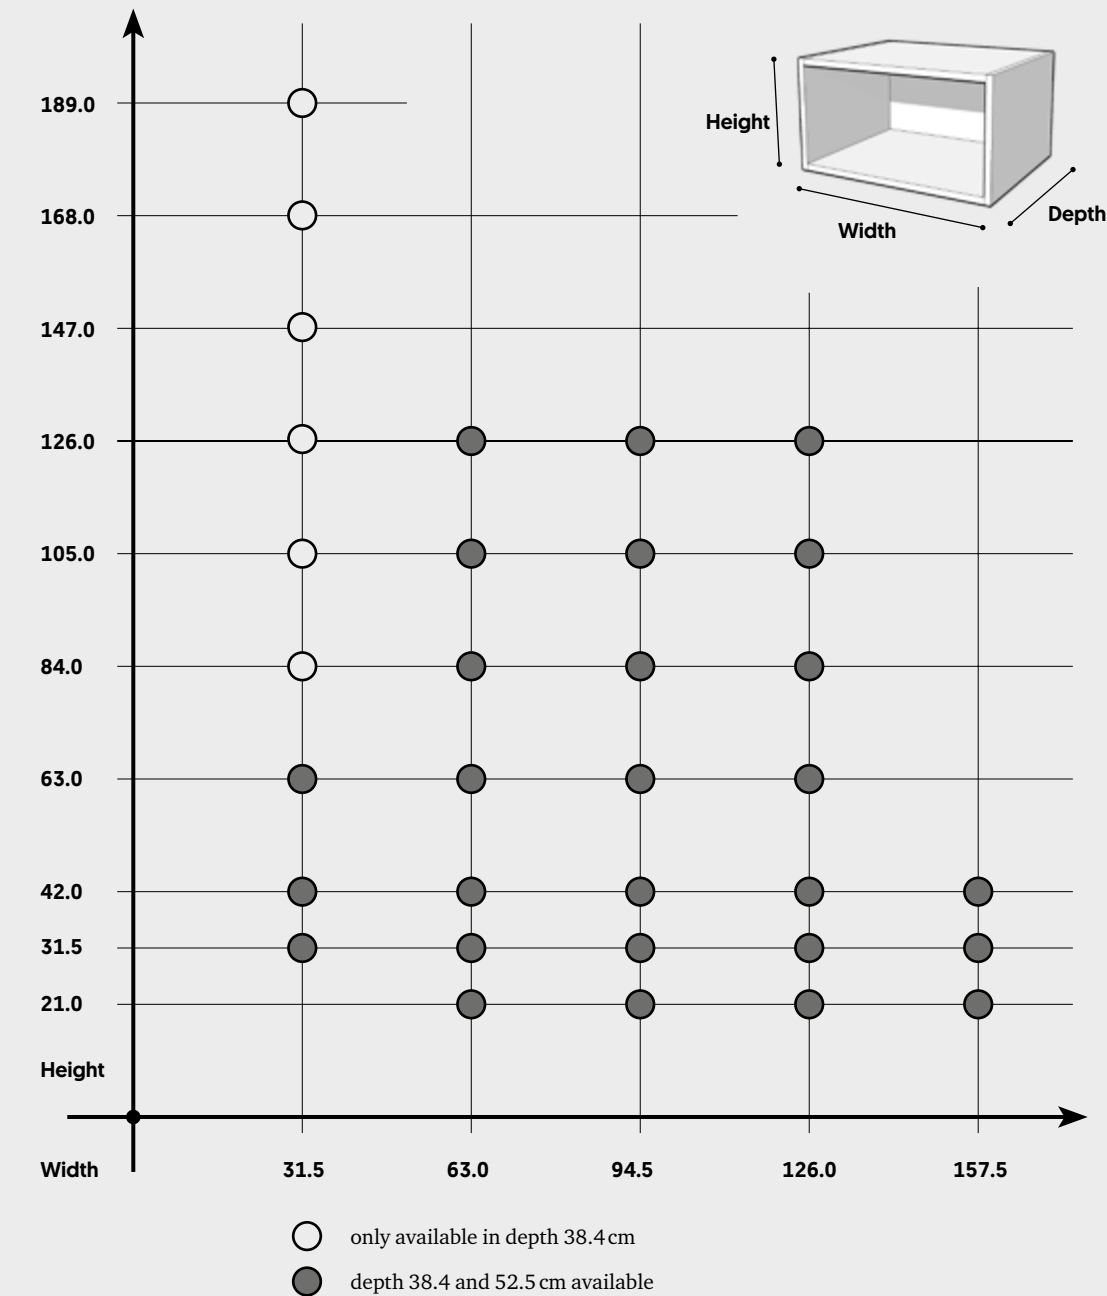

The choice is yours: Ameno can be mounted on a height adjustable plinth, on a height-adjustable foot frame in powder-coated steel, or wall-mounted at any height.

Ameno is only available from selected retailers. A 3D planning and a price quote is created by your dealer.

1.2 Cabinet elements

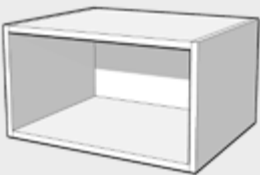

Cabinet elements are available in the following dimensions:

Ameno is only available from selected retailers. A 3D planning and a price quote is created by your dealer.

2.6 Wall mount

Wall mount for:

Elements 31.5 cm width, 38.4 cm deep, without backbone

Elements 63.0 – 157.5 cm width, 38.4 cm deep,
without backbone

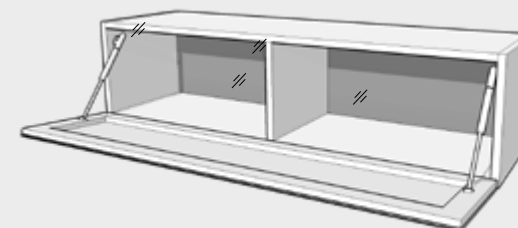

Elements 38.4 cm deep with backbone

Elements 63.0 – 157.5 cm width, 38.4 cm deep,
without backbone

Elements 52.5 cm deep

2.7 Interior mirror for rear

Only available for elements
with a depth of 38.4 cm.

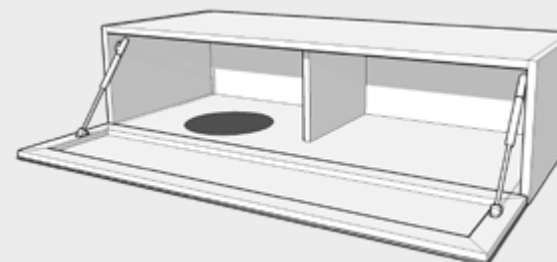

2.8 Back panels for partitions

Only available for elements
with a depth of 52.5 cm.
Panel divisions correspond
to divisions of front.

2.9 Subwoofer opening

Only for elements with
foot frame or wall mount.
Can be positioned in middle,
left-hand or right-hand
compartment.

2. Options and accessories

2.10 Smart Dock, Smart Charge, Smart Control, TV

	Function
ZU1876	Docking Kit 26, Apple, iPhone/iPad, HDMI [for all Apple devices with Lightning, except iPad4]
ZU1933	Smart Charge Kit
ZU1947	Spectral Smart Control Bluetooth/IR link system for control of audio and video equipment when furniture flap is closed via Spectral Smart Control app [iOS, Android]
ZU1864	IR link system for control of audio and video equipment when furniture flap is closed

2.11 Cable management / mount

	Function
T70	TV mount T70, optionally with adapter for VESA 200 x 200 to 400 x 400 or universal adapter for VESA 100 x 100 to 600 x 400
SPMEX1	Extension kit VESA 600 x 600 for universal adapter
ADLB7	Adapter for TX TV mount for LOEWE bild 7.55, 7.65 and 7.77
ZU2093	Universal media mount for any media components, mounting on the back side of the TV mount
ZU1841	Power strip with 5 sockets, including 2 x USB charger
ZU1871	Flat Europlug 1.5 m cable, CEE 7/3 [Schuko] connections

2.12 Options / accessories

	Function
SLE01*	Insert for interior arrangement at drawer from an element height of 21 cm, 1 insert possible per drawer compartment
OPTION	Additional glass shelf, for closed elements
ZU1873	Interior lighting, LED light with motion sensor
ZU1874	USB charger for interior lighting

* available from July 2019

Ameno is only available from selected retailers. A 3D planning and a price quote is created by your dealer.

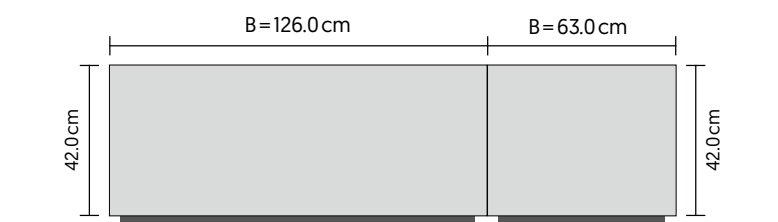

2.13 Smart Light

	Function
OPTION	Indirect LED lighting along rear edge of furniture. Depending on the model, the position of the LED strips can be individually planned at the top, sides and bottom. Including connection kit LED-AN1 for operation via a concealed touch switch on furniture or LED-AN2 for operation via remote control or smartphone app with dimming function. For LED strips that are 5 m or longer a second connection kit is included.

Example pricing:
The price is based on the furniture dimensions:

$$42.0 \text{ cm} + 126.0 \text{ cm} + 42.0 \text{ cm} = \mathbf{210.0 \text{ cm}}$$

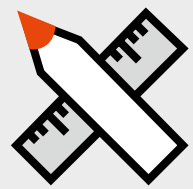

Example pricing:
The price is based on the furniture dimensions:

$$42.0 \text{ cm} + 126.0 \text{ cm} + 63.0 \text{ cm} + 42.0 \text{ cm} = \mathbf{273.0 \text{ cm}}$$

Maximum height of 126 cm for elements w = 31.5 cm.

Ameno is only available from selected retailers. A 3D planning and a price quote is created by your dealer.

3. Tailor-made options

With Ameno you have the opportunity to individualize. Tailored to your requirements, made-to-measure for your home. Popular changes are in the table.

Change	Remarks
Dimension changes (reducing or extending) per dimension	Modifications only in 10.5 grip, also adjustments of the fronts only in this grip, fabric front up to a width of max 160 cm.
Alter position of the TV-mount	TV-mount can only be shifted to the left or right
Modifications TV-column (change height, add drill holes etc.)	
Reposition wall mount	

Further options and informations can be found on our website at **www.spectral.ameno/tailor-made** or send an e-mail to **info@spectral.ameno** directly at our customer service.
